

YOU - AND THE SQUATTERS

Round one of the big squat is over. Result, defeat and a moonlight  
move-out from London's luxury flats and hotels. But it's only Round One.  
Take this Manchester report from squatter's town. New names and a quick  
settling down tell the Government that the only "final solution is more  
houses. This is your problem. To find out what you think about it, our  
reporters present an opinion poll. From the hundreds who gave their views  
on squatting, we bring these representative voices.
