

WE GO ABOARD OCEAN QUEEN

A queen of the seas holds court in Southampton water. The Queen Elizabeth prepares for sea. To share the thrill of her maiden voyage we invite you aboard, where our reporter introduces skipper Sir James Bisset.

And now for the crew's youngest member.

New; button-holing Miss Frances Day.

Here's Nuffield car-king, Sir Miles Thomas.

Ambrose and singer Evelyn Dall.

And Nuremberg's Womara Bixlett.

Last arrival; Malotov - with a bagful of mystery. Aboard her on this voyage, 2300 travellers. With 50 of 'em aboard, even millionaires are two a penny.

There she goes, the world's most beautiful ship.
