ENGLAND'S NARROW WIN

Over in France, our Sports cameras turned up for the England versus France Rugby International at Bordeaux. Mud and rain turned up too, just to make the English thirteen feel at home.

Playing under Rugby League rules, the French side lacked the pace and weight of the visitors. Scoring was low - mainly due to poor finishing by England. Stars of the game were Bradshaw of Wigan, Home of Barrow, Stott of St. Helens and Frenchman Aubert of the Carcassonne Club.

England scorer was Skipper Ward of Bradford Northern - here's his try.

Ward failed with the kick but his three points were enough to give England a 3-nil win.
