ONE MINUTE NEWS

A specially welcome Christmas gift from the Dominions brought old age pensioners from Holborn to their Town Hall. Food parcels from Australia and South Africa, they were distributed by Holborn's Lady Mayor and by Mr. Norman Martin, Agent General for Victoria.

In the parcels are tinned fruit and meats - and they go to the people who need them most.

From Meerut first pictures of the Indian National Congress. Pandit Nehru addresses the assembled delegates. Under his leadership they have proclaimed their new Indian Republic. At these meetings (and later at the meeting of the Indian Constituent Assembly in New Delhi) Pandit Nehru declared his party's policy. He refused to wait for an agreement with his Moslem League opponents. Britain, he said, must quit India. Meantime India's Princes and the country's 80,000,000 Moslems refuse to accept the rule of the Congress Party. If Britain leaves, bloodshed may discolour the flag of the new India.
