MAN OF THE WEEK

Inside the G.I.'s uniform, a boy who baffled Scotland Yard.

Interviewed, he says his name's Richard Lawrence, he's 11 years old and he served in the American Army in Europe.

SOUND

A chain smoker for 3 years, he's allowed ten a day - without them, his nerve goes.

SOUND

G.I. Dickie claims that he's British and that American troops smuggled him into Europe. The police think he is Belgian. He was found in Paris. Do you recognise the week's tough guy?
