### BRITAIN'S FILM STARS GO TO A PARTY

At London's Morden Park, Pathe News invites you to a frontstall seat at the film stars' Garden Party. It was the year's biggest get together of Britain's who's who in films. Among the Associated British stars were Muriel Pavlow and Derek Farn.

Here is Michael Denison with wife Dalcie Gray.

In gay mood, we find Jean Bowling.

Meet Ulster's feather-hatted Beatrice Campbell.

Among other stars, we saw youthful Richard Attenborough.

And there was Geogie Withers.

Here is Patricia Ho.

And here Anna Neagle, accompanied by Michael Wilding.

In a quiet corner, were Glynis Johns. With her was bow-tied John Mills and Stewart Granger. Not everybody got inside to see the stars off duty.

Fashionably-hatted Valerie Hobson.....Cookney comedian Jack Warner... Also there - Griffiths Jones.....And Margaret Lockwood.

For the fans - it was a day out with the stars. An exciting occasion at anytime, it got out of hand towards the end.

And as we left the fans were still struggling for a close up of their favourites.
