GOODWIN WRECK

To the shipping grave-yard on Goodwin sands, a sudden winter gale has added another casualty. As the ~~rescue plane flies~~ <sup>CAMERAS FLY</sup> over Dover Harbour, tugs steam out in an effort to ~~salvage~~ <sup>AGAINST HER BOWS</sup> the stranded ship. With heavy breakers sweeping ~~over her stern~~, the Silvia Onorato is hard aground. Rotterdam-bound, the little Italian vessel carried a 3,000 ton cargo of lead ore.

UP

Mark at 42° from start

After a 40 hour battle to get his ship afloat, the Italian skipper and his 28-man-crew - plus two stowaways - were taken off by the Walmer lifeboat. On the Goodwin deathtrap ends the story of the Silvia Onorato.
