Los Angeles discovers a baby mermaid - ene-year-old Sherry Lynn Whitford dives into the swimming pool like a seal and swims confidently under water. The secret of her success is her ability to held her breath happily for long periods. Try helding your breath while Sherry stays under water. Ready. Take a deep breath everyone and new - held it.

Hold it.

Den't breathe.

Hold it.

## Shorry is safe and sound. How about you?

This is easier. Take your choice from among these faces. Which is that of Miss Paris, minoteen forty eight? Alright, ignore the faces, concentrate on the....er...the problems facing the Miss France Selection Committee. From eighteen competitors they must choose a lady to represent Paris in the All France Beauty contest.

The austerity which marks the times favours the judges. With a half coupen value of material shared between all the contestants, there is little in the way to prevent arrival at a "fair" decision, or should we say...Brunette decision. Here she is - Miss Paris!!!! Talking of austerity - the drought of cysters may soon be broken.

For the first time since 1926, a French fishing fleet sails from the Brittany port of Cancale to catch systers. 150 trawlers and smacks ge out to revive an ancient Breton industry. Usually found between tidal levels along the coasts of all continents, the systers along the European coast-line are of the flat type. Often regarded by less fortunate mertals as the staple diet of the rich, the slippery little custemers (caten raw when removed from their shells) are regarded by many as the world's greatest delicacy. To the Breton fishermen, their record haul means removed presperity for their home pert.

Happy in the knowledge that cysters will sell at six shillings for half a descen, the people of Cancale welcome their men back hows thankful that their efforts have been so rickly rewarded. Offering thanks too are the people of Birmingham. Carrying samples of their trades, 700 people (representatives of thirty Midland firms) go to
