PEOPLE IN CAMERA (2)

From Norway to Atlantic City comes "Athes" - the upside down man - who makes a fortune standing on his hand,

His left hand never knows what the right one is going to do next. In his forefinger lies his strength. It took him months of training to prepare it for the big act. On this rigid digit - Athes the wonderman supports his entire weight.

A freak from Norway fingers his way to fame and fortune.

ONE-FINGER

Youngson Donaldson

X From Norway to Atlantic City's Steel Pier comes "Ather" - the man who can stand on one finger. He warms up with some conventional tricks.

X "Ather" gets set for the big act. His hand is ungloved. It took him months of training to strengthen that finger.

X Watch him place his entire weight on that rigid digit.

X A Norwegian acrobat puts his finger on fame and fortune.
