CUP THRILLS ARE BACK

Hats off to football's new giant-killers! Walthamstow Avenue, a London amateur club wearing white shirts, battle Third Division Oldham in the toughest cup-tie of the second round. The spare-time footballers run the professionals hard. Walthamstow's Jim Lewis scores goal No. 1.

In the second half, Oldham, who may shortly make history by signing International Wilf Mannion, turn on the pressure. But Walthamstow are every bit their equal and they give as good as they get. Then the Lancashire team draw level when Tomlinson scores.

In extra time, Oldham draw ahead, but a last-minute Walthamstow attack brings them the equaliser and the chance of a replay. Their opponents for the cup's Third Round are picked at football association headquarters at Lancaster Gate. There, below the portraits of past F.A. presidents, 64 teams go into the hat to decide the line-up for soccer's biggest day of the year. Chairman Brook Hirst makes the draw - Secretary Reus gives the teams:-

Who goes to Wembley? It may be Walthamstow - it may be the Arsenal! Till we know, cup temperature stay at fever pitch.
