

CIRCUS THRILLS THE KIDS

Once again, every heart beats faster to the laughter, the thrills and the spectacle of the year's happiest hour - the greatest show on earth. Leave your mother-in-law and all your cares outside and join the kids at Olympia giving the O.K. on the Bertram Mills Circus.

Don't let Willie try this after Christmas dinner. You know what happened last year... ..

As always, the chimps bring down the house. Don't look now - but isn't that just like grandpa with the loving-cup? Darn it, they're so human!

Surprise item this year - the Canine Cup Final. There isn't a kid in the world who wouldn't give a year's sweet rations as a transfer fee, for Fido, the four-footed fullback.

The clowns this year come in for the traditional soaking. About the only thing that isn't rationed, there's more water about than ever before.

Once more into the breach, dear friends, goes the man who beats the ammunition shortage - the human cannon ball.

With laughter in the air and water on the brain Everybody's happy at Circus time.
