

AEROBATICS THRILL THOUSANDS

The All-American Air Circus goes into action at Miami. How is this for smokerebatics? Tommy Boyd doesn't like it up there, so he bales out. He smokes, too.

Boyd pulls his ripcord just two hundred feet from the ground and the Cloud Busters move in to salute his daring.

Now Billy Light puts on the highlight of the show. Which way is he headed? He's light-headed all right.

As a finale, some twin-formation dazzlers. A thriller-diller any way you look at it.

It's the All American Air Maneuvers in Miami, and that's Billy <sup>485501</sup>

Light in a car-to-plane pickup. Will Billy light on that ladder...?

Yep, he made it!

Now the Cloud Buster trio in low level smoke-rebatics....

Batman Tommy Boyd comes hurtling down from the formation. He smokes, too.

Boyd pulls his ripcord just a few hundred feet from the ground. The Cloud Busters move in to salute his daring.

Whoa, there, pilot. Your side-slip's showing....

Lieutenants Fenton and Fitzgerald of the U.S. Air Force show some twin-formation dazlers.

Gee, look out...!

Here's Billy Light again. This time he's on top of the plane. Say, Billy, which way is Light headed? A thriller-diller any way you look at it!
