CAMERAMAN'S DOPE SHEET

February 1949.  
BREST.

THE "JEAN BART" SPEED RECORD  
-----

The "Jean-Bart", 49,000-ton cruiser, made her first test of speed.

Aboard, the general mechanician (Admiral rank) supervises the march of the four machines. On the deck, the Commander Robin directs the manoeuvre.

Various shots off the harbour with the tug.

Off Brest the "Jean-Bart" made her test of speed; she reached 33 kites.

Different views during the test - Aerial views.

Some pictures are taken in the early morning.
