

EARTHQUAKE

BARUCH

WOLF

X The Pacific Northwest reels under the worst earthquake in its history.

In Seattle, buildings are cracked like toys. <sup>Seven</sup> ~~Eight~~ are dead, scores  
hurt in the wake of the two-minute tremor which shook <sup>a five-hundred-mile</sup> ~~an~~ area extending  
all the way from Victoria, British Columbia, to Salem, Oregon.

X Damage to schools, like this one, is high. But most children are on

X Easter vacations and casualties are few.

The Pacific northwest starts digging out from a ten-million-dollar blow  
of nature.
