

NEW BROAD
2000 R 11/12

X

Elsewhere in the State of Washington, there are other signs of spring.

Sheep start the long trek towards their summer grazing lands in the mountains. To get there, they've got to cross Grand Coulee Dam.

NEW BROAD

X

There are twenty-five hundred ewes and lambs in this one herd alone.

And there in a hurry. Who isn't when heading for a summer vacation?
