X When Bermuda style experts talk about flowery summer hats, they mean **is** literally. And the islands' twenty-eighth annual flower show has forty-one entries in the hat class. The judges give a blue ribbon for beauty to this gardner's delight. It's built around a sheath of royal palm seed, decorated with straw flowers.

X A miniature jungle of palsetto leaves, fern and ~~fern~~ palm flowers wins the originality prize. Hit of the show -- a Bermuda cottage, made of palm leaves, with a broad palm-leaf brim ^{is disqualified because it} --/doesn't meet the strict eligibility requirements. The U.S. fashion touch is provided by vacationin New York models. Homemade hats like these are easy on hubby's pocketbook. But they're tough on his temper next morning when he finds them floating in his bath.
