

49/78WINDSORS HOLIDAY IN ITALY

On holiday in sunny Italy - the Duke and Duchess of Windsor.

Sightseers cluster around them as they arrive in MONTECATINI - popular Tuscany spa, near Florence. In common with 80,000 other annual visitors, both the Duke and Duchess drink the resort's saline waters.

The Duke and Duchess had motored to Italy from the French Riviera. Their present plans are to return to their home in Paris after their holiday, and they may then visit America.
