SPORTSMEN HONOUR DENIS COMPTON

Anna Neagle leads the film stars' tribute to Denis Compton as an Evening News Ball at Earls Court does honour to a star among sportsmen. The Dodger twins - England's Alec and Surrey's Eric - are there, too and Denis' partner in many an England outing - stocky Bill Edrich. With him is the girl in Denis' life - Mrs. Compton. The occasion marks the end of Denis' benefit season. No man has earned his money more deservedly.
