

BRITAIN LOOKS AROUND FOR MR. APOLLO

The "Perfect Man" comes to town. Oozing health and strength, 50 of Britain's most "gorgeous" men keep a date in London to start off a nation-wide search for Mr. Apollo. There as judges are beauty queen Sylvia Wren and that other "gorgeous gael" - Jack Doyle. Never was "beauty among the beasts" more figuratively revealed. Bulging physique plus that tall, lean and hungry look qualify for the final.

Ho-man among them all is 29-year-old Jack Bunney of Barking - Mr. Apollo - and quite a ladies' man, it seems.
