

BRUSSELS'SUGAR RAY' K.O.s DUTCH CHAMP

Dutch welter champion Luc van Dam takes on the finest craftsman in the ring these days and asks for trouble. And here it comes as Sugar Ray Robinson gets in a killer.

Van Dam is out if ever a man was out, but the bell goes in time to prolong the agony. But the 15-thousand crowd thinks it was a low blow and show their disapproval; commentators swallow their tongues in excitement as round 4 begins. Van Dam's return to action is purely technical. Just a moment till Sugar is ready ... and there it goes, and Van Dam has had it! They never come up when they go down like that.

Out! From now on, it's reported, Luc van Dam will stick to saccharine! Sugar's too flattening!
