

THE ROAD TO WEMBLEY

Luton v. Bristol

It's the Cup-fever at Luton as the Hatters (playing in white) meets Bristol Rovers in their Fourth Round tie. Glover starts an attack, but his pass is intercepted.

Glover again. He centres, but Hoyle runs out and clears.

Here's another Luton attack. Fred Shanks the ball works out to the wing ... and Glover centres.

Watkins gets it, and he shoots!

Luton one, the Rovers nil, but Lambden equalised and it's one-all at half-time.

Now both sides are all out for the winner. Centre-half Owen passes across but Aherne misses the ball and Petherbridge puts Luton out of the Cup.

Arsenal v. Northampton

It's the biggest crowd since the war at Highbury as Cupholders Arsenal (playing in white) meet Third Division Northampton. But the Cobblers aren't a bit nervous! Even right-back Smalley's in the attack. And there goes a tricky one - just over the bar.

Eighteen minutes gone - no score. But here comes a dangerous Arsenal movement. MacPherson passes to Jimmy Logie. He feints and passes to Reg Lewis ... and it's in the net! What a shot! The Gunners' Cup Marksmen is on target as usual. At half-time Arsenal are one up.

After an early equaliser by English, Arsenal are turning on the pressure. MacPherson's centre is a beauty. Goring connects but Northampton clear ... No! There goes a shot - but it's just wide. But they're still pressing. A Goring pass and Lewis is there to slash in his second. Arsenal two, Northampton one.

Jimmy Logie's got the ball. He's tackled by a Northampton back and the ball rolls loose. Logie saves it and centres. MacPherson pushes it on and Reper scores to make it Arsenal 3, Northampton 1. It looks in the bag for the Gunners! The Cobblers are playing fine football but things aren't working out right.

But here's a Northampton attack. A header to English and he shoots ... and it's a goal. But that's as near as they get. And by the odd goal in five Arsenal go on to the Fifth Round.
