

MANCHESTER V. LEEDS

At Old Trafford Manchester United (playing in white shorts) kick off against Leeds and the betting says it's odds on the United. But Leeds have been playing fine football lately and Yorkshire fans are hoping for a turn-up.

Leeds attack but captain Johnny Carey intercepts and taps back for Allen to clear.

Straightaway Manchester attack. Pearson's there - and it's a goal!

Almost rightaway Manchester get a corner. Birkett drops his kick perfectly but Rowley's shot is intercepted. The ball's scrambled away but Birch gets it and the ball finally goes for a corner.

Rowley takes the kick - and that's another one for Manchester.

Manchester two, Leeds nil. And ~~that~~ another corner. Birkett drops the ball just right. Pearson jumps for it - and it's a third goal for the United.

And yet another corner for the United. There goes Rowley's kick. Pearson nods in his third and the United win four-nil!
