F.A. CUP 5th ROUND

SUNDERLAND V. NORWICH CITY

At Roker Park, the visitors, Third Division Norwich City, meet a team with 52 consecutive seasons in the First Division. And here's Sunderland (playing in stripes) on the attack. Ford's shot is stopped by Foulkes but the ball goes to Tommy Wright. He shoots but Nethercott saves.

Tommy Wright again. And here's another shot .... It's all Sunderland. Norwich are game but class is telling.

Davis lebs a high one - Nethercott fumbles and it's over the line to put Sunderland one up. A nice gesture from Skipper Foulkes as he consoles his unhappy goalie. At half-time Sunderland lead by the only goal.

Billy Watson's playing a fine game. There he goes working his way through. He shoots ... and it's a goal.

And another Tommy Wright movement. The winger's played a key-man part in Sunderland's attack. He's through and there goes a shot to put Sunderland three up.

That's it for Norwich, but they're still trying. Here's Gavin with a chance and he's scored ... but it's too late to matter.

MANCHESTER UNITED BEAT ARSENAL

The star clash of the Fifth Round opens as the United (in dark shirts) match youth (in the shape of Birch, Number 10, and Birkett) against the experience of the Gunners defence ... and it's all Manchester, with Goalie Platt pretty busy. But here's Jimmie Logie after the ball. Chilton beats him and passes to Rowley. Rowley lebs into the Arsenal penalty area. Aston worries Compton. The ball goes to Pearson and it's a goal! Manchester United one, Arsenal nil.

Arsenal attacks are crumbling before "first-time" tackles. The United's young forwards on the other hand are playing like veterans. Birch gets the ball and passes. Rowley beats Barnes and sends over a centre, right across the goal. Birch is there. He beats two defenders and passes. Aston shoots but Barnes "fly-kicks" off the line and Manchester appeal ... but it's no goal.

Second-half, and young Birkett's in a tussle with Joe Mercer ... and veteran Arsenal skipper gives him a lesson.

Here's a chance - but Chilton beats Goring and passes to goalie Allen to clear. Arsenal just can't get a shot at goal. Pearson's goal is going to put them out of the Cup. Birkett's final shot goes wide - and it's all over. Old Trafford roars as the United pass into the sixth round - but young Birkett passes out - played to a standstill ... and someone seems to be starting something with the police.
