

51/15LAS VEGAS5 ATOM TESTS IN 11 DAYS

From Las Vegas, America's legalised gambling centre, Pathé cameramen secure exclusive pictures of secret atomic weapon tests at Frenchman's Flat, 75 miles away.

Here goes the first one.

75 miles away, remember. Of five tested, this is the biggest.

X Las Vegas, Nevada, where gambling is legal, Warner Pathe News <sup>F-10801</sup>

trains its cameras on the pre-dawn sky, hoping to record an atomic blast to be set off at Frenchman's Flat. How powerful is the atom? Look at it's blast from a distance of seventy-five miles.

X Five explosions are seen in eleven days. This is the ~~finakuzant~~ biggest and last.

X Ex-President Herbert Hoover, believing that the key to U.S. defense is the protection of our borders, restates his views in a nationwide address.
