

F.A. CUP - SIXTH ROUNDNewcastle v. Bristol Rovers

At St. James' Park, Newcastle (in stripes) kick-off against Bristol Rovers - with the pass to the Semi-Finals as good as in their pocket, but the Rovers have their own ideas. Left-half Sampson clashes with Walker and holds up the ball to claim a foul. It's all Bristol, with the £50,000 Newcastle team fighting desperately to keep them out.

Here's Newcastle on the attack and it's pretty hot round the Rovers goal. It's taken the Rovers nine games - including replays - to get this far and they don't mean to go down easily. What's more they're playing better, faster football than Newcastle. By half-time, it's still no score.

Second half and the Rovers attacking still. If they can keep it up they'll pull off the biggest surprise of the day.

The United's all-star forwards must score here. It's a real tight corner for the Rovers - but holding out to a no-score draw, Bristol Rovers cover themselves with glory. They're the gamest team in the Cup series, whatever happens in the replay.
