EASTER HATS TEMPT STARS

The flowers that bloom in the Spring have plenty to do with the case when it's Easter and a young woman's fancy lightly turns to thoughts of hats. Lena Morris and Jane Hilton seem to prefer "Preference" at Lady Newborough's show.

Mademoiselle Lilo star of the Folies Bergeres tries '1951;' and this is the Dome of Discovery.

A tip for Ascot ... and here's a tip for husbands. A new hat for the wife will make your headache feel better much quicker than aspirin. Why not buy yourself a happy Easter?
