BRITAIN WINS MOTOR-CYCLE RACE

At Helsinki starters line up for the 500 c.c. solo event in the annual Djurgard races. Here's the start. There are three British competitors, and Dudley Ward - No. 3 - jumps into the lead on his B.W. Special.

Nygren's cutting through, and here's Martin of Belgium.

Nygren is one of the first to crash at Death Corner.

Averaging 65-miles-an-hour, Dudley Ward flashes across the line, the winner.

Now for the cars.

Nelleman of Denmark's crashed! The car's a bit of a wreck; but the driver can still do the 'Dry Bones' drill.
