Dear Sirs,

We understand your Cameraman will be filming the ceremony off Canvey Island in connection with the centenary of the Chapman Lighthouse on the 23rd June next.

You will no doubt require a boat for transporting personnel and equipment. We have two boats operating from Holehaven, Canvey Island, attending shipping in the Thames, which we think will be admirably suited for this purpose.

We shall be pleased to supply further information should you be interested.

Yours truly,

Dear Sir,

Ref. Miss Field

Further to your telephone enquiry of last month. I have much pleasure in giving final details of the Chapman Lighthouse Centenary which is being televised on Saturday June the 23rd.

Your Cameraman must be at the Customs Wharf Hole Haven Canvey Island by 2.30 p.m. where he will be shown aboard the "M.Y. ANNIE JONES" by our Hon. Secretary M. Oddy, and every assistance given him.

Should a gale warning or such unsuitable weather call for a postponement I will telephone you at your office before 12 noon.

Yours faithfully,  
for ISLAND YACHT CLUB

A. RAPKIN.
