REIGNING CATS!

A Cat Show isn't fair to a commentator. What's the good of saying these are Persians and these Siamese when everybody's too busy saying "Och! Aren't they lovely?"

And the same to you! If any man can hear me, there are 501 best-chair-pinchers here and there isn't an arm-chair in sight. Doesn't that make you feel good?

Chinki Yang Shwabo and Mintha are Burmese and rare; and, with six 'firsts,' Pekohehn Paprika's definitely hot stuff! Now it's all yours again, ladies. "Och! Aren't they lovely?"
