STORY... RETURN OF SCIENTIFIC EXPEDITION FROM GREENLAND.

DATE... Friday, 31st Aug. 1951. TIME... 8pm. BST.

LOCATION... PEMBROKE DOCK.

REMARKS

This coverage is reta.

A Sunderland flying boat is returning from Seal Island where it has picked up a 4-man scientific expedition.

Show the flying boat alighting on the water, taxi-ing in, and the party disembarking.

On board will be Ced Baynes of Pathe ~~xxx~~ who has been on the trip throughout. Contact him and enquire whether he has got all he wants in the way of coverage. If he has run short of film and not got some particular person or subject then cover up for him. Be sure to get good big CUs of the scientists.

ON COMPLETION GIVE YOUR NEGATIVE IN A CAN TO CED BAYNES.

PATHE WILL PROCESS SAME, AND SERVICE ALL REELS ALONG WITH

BAYNES' MATERIAL.

Find out please whether the party has any official film, & to whom we should apply for a copy.

HOTEL: *Lion Hotel,
