K.O.Y.L.I. BACK FROM MALAYA

After three-and-a-half-years jungle warfare, the 1st battalion, King's Own Yorkshire Light Infantry disembarks at Southampton. Here are a couple of Coedies: Private Ronald Harrison of Newcastle and Corporal Robert Bell of Durham; now for some real Yorkshire - as Yorkshire as Bradford: Private Ralph Beaumont, and on the right Private Tommy Neal, each with three years in Malaya, and glad to be home again. Corporal Bill Morten comes from Richmond. Oldest serving private - John Chippendale of Bradford - is greeted by the G.O. Colonel Preston who flew home ahead of the DUNKER.

First battalion to take part in jungle operations in Malaya, the K.O.Y.L.I's did magnificent work in the bandit-strongholds of the north. In the ceaseless warfare of ambush and raids, regulars and national servicemen have grandly upheld the great traditions of their regiment.
