

NEW HATS ARE ALWAYS NEWS

The joy of living is Lady Newborough's theme for this model ..
"Peace" comes in white long-haired plush complete with the well-known
bird.

There's nothing like Double Top to get off with - whether
it's darts or hearts!

"Fly's Eye" in old gold and black sequins has flies on the
veil. What a strange ideal! On the right, "Espere" has a diamond-
spotted veil.

Feature of "Leisure Hour" is the pink ostrich feather with
darker-shade veil.

"Caprice" has ninety egret feather, which cost a fiver each.
£4.50; that ought to put the lid on this titfer!
