

F.A. CUP 4th ROUNDLEEDS UNITED v. BRADFORD

It's an all-Yorkshire tie at Elland Road, with Leeds at home to Bradford, who play in heaps. The last time they met in the Cup was seventeen years ago, when Leeds won. They ought to win again today but it's very slippery underfoot - and you can't afford a slip when you're after a Cup. But here Kerfoot tries to break up a Bradford attack, but fails. The ball goes to Turner, but back comes Kerfoot and he finally gets the ball away.

Bradford again. Here's a shot - but goalie Searson saves and clears. Bradford are starting strongly and Leeds are a little slow getting into their stride. It's fifteen minutes before their first shot ... and it's a near one, but it's kicked off the line. But it goes to Milburn. He shoots and Leeds lead by one goal to nil.

Bradford fight back but Charles intercepts the centre and dribbles before clearing upfield. It's a ding-dong backwards and forwards battle. Next moment, it's Leeds having a crack.

Again Bradford - and that tested Searson. The Third Northern side are putting up a grand fight, but there's no more score in the first half and Leeds lead one nil at half-time.

Second half, Leeds attacking.

Here's Burden with the ball. He passes across and Iggelden runs for it but trips over Downie ... but Charles gets it and passes out to the wing.

Now Bradford are trying desperately for the equaliser.

But it's all over when Iggelden crashes a beauty into the net - and Leeds are through to meet Chelsea in the next round.
