

F.A. CUP 5th ROUND

LEEDS UTD. v. CHELSEA

At Elland Road, it's Chelsea in white shorts kicking off against Major Buckley's boys and if it goes according to forecast, a tough time will be had by all. Leeds have been playing grand football lately and anything can happen when Chelsea really get cracking.

And here's Chelsea showing us something. Gray across to Bentley. Bentley returns, and there's a pretty move building up till Leeds break it up. It's a real ding-dong battle - which means a lot of scrappy football, with both sides very wary. Now it's Leeds on the attack. They're dangerous at home ... and here's centre-forward Milburn - he heads - and Leeds are one up!

Chelsea fight back. Gray makes one of his electrifying runs down the wing and centres. Smith is there and it's a goal to make it one all - and with no scoring in the second half that's how the hard fought battle ended - all square.
