

DUNDEE v. THIRD LANARK

At Easter Road, Dundee (in dark shorts) beat Third Lanark by two goals to nil to pass into the final. Here's Dundee in action.

And here's a Lanark attack ... Henderson beat Gowan. From his centre "Third" nearly scored by Cowie headed clear.

Now Dundee supporters had cause to cheer. Christie sent over a beauty and Burrell made no mistake to put Dundee one up.

Dundee again. Burrell to Pattillo, but Robertson saves.

After some general play, Dundee went further ahead when Billy Steel got a chance and made it two nil.

Resuming after half-time, Third tried desperately to reduce the arrears. Here's Ballunas in a nice bit of head work with Forsyth. There was no more scoring but plenty of thrills - like this incident round the Lanark goal. Flavell to Pattillo but Cairn and Ballunas are there.

Burrell shot, Robertson missed, but Cowie kicked off the line ... an exciting game with plenty of action right up to the final whistle.
