MINERS' FILM

Mr. Latta has arranged for a party of thirty miners from the Leeds area to be the guests of the Group during the weekend beginning Friday, April 18th. Mr. Goodlatte wants us to make a short film (one reel) which he will exhibit in the Leeds area, and for which we will be paid in the same way as one of our sports specials.

Can you arrange for a cameraman to be available, and then to have this edited and commentated in time for release Monday, April 28th?

The programme is:-

Friday evening - arrive by coach.

- 9.00 p.m. attend London Casino show as guests of Pathe.

(We might get one or two back-stage pictures here, with Jewel and Warriss)

Saturday afternoon - attend Wembley Cup Final, Northern Union.

evening - guests of Picture Post at dinner.

Sunday morning - Elstree studios tour.

lunch - Elstree, with directors and executives.

afternoon - Continue Elstree tour.

- Return to Leeds by coach.
