

BRITISH MOVIE TONE NEWS.

JULY 8th, 1952.

MONACO -AIX-EN-PROVENCE.

TOUR DE FRANCE - 13th LAP.

The cyclists leave Monaco under a very warm sun - Coppi together with the main body of the cyclists - Passage in Nice - Air shots of the Tour de France.

At Frejus, the cyclists pass in front of the Senegalese "tirailleurs" - Due to the broiling weather, this lap is very hard - Both the ones who follow the Tour and the cyclists sprinkle themselves as much as they can

The first escape of runners takes place after Le Luc - we can see Dotto, Vivier, Quentin and Remy who leads well ahead of the main body before arriving at Brignolles. Before Aix, Vivier can no longer follow the pace and leaves the three French of the "Equipe de France" Dotto, Quentin and Remy, who succeeds to get an advantage of 9 minutes on the other runners.

Dotto - Remy and Quentin cycling.

Arriving in Aix en Provence - Remy sprints and wins in front of Dotto and Quentin.
