QUEEN AT WINDSOR HORSE SHOW

It's the Royal Windsor Horse Show, with very heavy entries in all classes. The Queen is received by the Duke of Beaufort, Master of the Horse, and the show is on.

Beyond the jumping is Windsor Castle. With our best at Helsinki, it's a chance for the lesser lights. Here's Lieutenant Thompson on "Courier." Winner in Grade C is Alan Oliver, who trained with our Olympic team, but the rosette goes to "Diamant," his mount.

The Queen has a special prize for Alison, Mary Rose and Marigold Peddie, not forgetting "Barley Sugar" who did most of the work!
