FOOTBALL IN THE MUD!

It's the Old Leigh Regatta, with the Millers trying to make a clean sweep of the sweeps, and the sweeps trying to blacken the millers' outlook!

The greasy pole, next. They say it's as easy as falling off a log because it doesn't matter how you fall - so long as you fall!

And here is the winner. "Watch the birdie, please"!

Now to something more strenuous as the Police take on the Fishermen at Football in the Mud. If there are any rules we haven't heard of them!

That's right, Sir! Pull 'em up again. As the wise man said, man with his bags down doesn't run so fast!
