

X The citizens of Tokyo, who take a great deal of pride in their town, objected when a village of five hundred rag pickers sprung up in the center of the city. The rag pickers have their own pride so the Tokyo Police was called into action. The homeless argue their case but the tumble-down shacks tumbled

X The vagabonds had previously ignored warnings to leave their shanty town and some of the evicted tenants are still reluctant to leave.

X Tokyo gets rid of Rag Pickers Village.
