Dear Sirs,

Fine Grain Material of Avro 698 Bomber

In accordance with an arrangement made with yourselves by Mr. Butters of the Hawker-Siddeley Group we are making available to you herewith a fine grain duping print of air-to-air shots made by us of the Avro 698 delta wing bomber. At the request of the Hawker-Siddeley Group no charge is being made to you.

It is understood however that we retain copyright in the whole of this material and it is made available to you on the understanding that it is for your use only and may not be resold or ceded in any way to others without our express permission.

We understand you are aware that a fine grain duping print of precisely the same material is being supplied by us, again at the request of the Hawker-Siddeley Group, under the same conditions to certain other newsreel organisations.

Yours truly,

For: "SHELL" REFINING AND MARKETING COMPANY LIMITED.

(SIGNED) Alan W. Della.
