

BERLIN POLICE MARCH

The West-Berlin Police units marched into the Berlin Olympic-Stadium. The new security police detachments made their first public appearance. One security factor in the insecure four-sector city.

See see Berliners assembled to be convinced of the efficiency of their police. And the Western Berlin police gave the population samples of their metal.

Gymnastics - the foundation of every physical police training. Samples of audacity of dogs - and policemen.

A torchlight procession closed the popular display of the Western Berlin Police Day.
