

OCTOBER FESTIVAL IN MUNICH

10420-9

The old beer-mugs are ready for Bavaria's great historical festival. Munich's mayor Winter is ready to fulfill his historical task: October beer begins to flow - and for a fortnight the watchword is Prost - cheerich !

As in every year - the long procession proceeds across the Marienplatz with the Munich clubs in their gayestunes. Here the horse-wagons of the famous Munich brewery - the Hofbrauhaus.

less's of roasted chickens daily! Fischer from prepare her "Steckerl fish". In the big festival tents the beer-mug is the symbol of a merry brotherhood dedicated to the peaceful destruction of beer till the early morning hours.
