MOTOSHOW PARIS

Grand Palais, October 2nd. 1952

NEGATIVE UNDEVELOPED: 90 meters - 300 ft

This is the first day of the Annual MOTOSHOW in Paris' grand Palais. The official opening will only take place next week, on October 5th, when President Vincent Auriol will visit the large hall overcrowded by visitors and cars from all over the world.

Picture shows :

- general exterior views of the Grand Palais, with traffic flowing towards the motor show
- general interior views of the Exhibition halls
- different views of the exhibition stands, and more particularly British stands.
- shots of ASTON MARTIN DB.3 14 HP
- shots of JAGUAR
- Shots of BENTLEY stands
- shots of M.G. MIDGET
- ROLLS ROYCE exhibition stand.
