*Dear Mr Cummins*

*Nov. |* I have been advised by Buckingham Palace that the normal rota arrangements will apply during the opening of this Exhibition by the Duke of Edinburgh next Monday.

This means that it will be possible for you to work in the hall until 10.30 a.m. on Monday, 20th, but that sharp at 10.30 we shall have to clear the hall of trailing cables, etc. in order to be ready for the opening at 11.

Model engineers start bringing their competition models to the New Royal Horticultural Hall at about 10 a.m. on Saturday, 18th. I have no doubt they will continue to arrive throughout the Saturday and Sunday, and will be pleased to give your representatives any help they require during these two days.

Perhaps you will let me know what arrangements you would like me to make for you.

*Should get some  
shots before the opening  
of unusual or outstanding  
exhibits - would 9-10.30  
on the Monday suffice?  
H.V.*

*Yours sincerely  
Dudley Vernon*

Dudley Vernon.
