TITO

BARUCH LEDICI

X In the waters off Split, Yugoslavia, Marshal Tito is a guest aboard the United States aircraft carrier Coral Sea. In honor of the Yugoslavian Premier, our Navy demonstrates some nautical air-combat tactics.

X The leader of the powerful communist nation that openly defies the Russians and their satellites, watches our carrier-based aircraft display their striking power.

X Tito, an enemy of the Soviets in the Cold War, sees a sample of our Naval air might.
