

4th ROUND SCOTTISH CUP

HIRBERNIANS v. ABERDEEN

Aberdeen kick off against Hibernian at Edinburgh. The Hibs (in white sleeves) break up the Dons first attack and Bobby Combe sets his forwards going. Down at the Aberdeen end, goalie Martin has to punch a corner to save the situation. A few minutes later the Dons switch play to the Hibernian goalmouth.

The ball swings in from the wing, Rodger heads and it's a goal! Aberdeen are one up in the first ten minutes. That's shaken the Hibs' defence, but they're not given time to recover before the Dons advance again.

Now Tony Harris has got it and he races towards the Hibernian goal.

Buckley's rush is halted by goalie Younger. There's an open goal. As the ball comes into the centre again, Yerston heads, but it's too high and he doesn't score this time. Hibernian still haven't equalised when play resumes after half-time. Aberdeen keep up the attack, but right-back Clark halts their charge.

As Martin collects, Turnball rushes but it's he, not the ball, who gets netted. Now the Hibs pull out the stops and harrass the Aberdeen defence. Johnstone, Reilly and Smith go into action together.

But inside left Hay breaks the move and clears upfield. At the Hibernian end, the Dons look for a chink in their opponents' armour. The ball runs out to inside-right Yerston who's unmarked. He has a slam - but he's way off target.

Aberdeen's Buckley tries rushing goalie Younger - and there's a collision that rocks them both.

The Dons' goalie, Martin, is soon in his own spot of trouble and down he goes to stop the Hibs' attacks.

Smith takes a free kick for the Hibs. Buchanan heads - and it's a goal! The final score remains at one all, and now Aberdeen and Hibernian get ready to meet at the replay.
