

STOCK CARS

Rice -- Dan

X **AND THEY'RE OFF!** in one of the wildest, craziest stock car races ever filmed. The place is Richmond Virginia's Royall Speedway. Most of these characters act as if they learned driving from their mothers-in-law.

GA X If another car gets in your way, run him.

After crash X There's a used car dealer in the audience with his pockets full of money -- the drivers can't wait to unload on him. Here goes another.

#39 X One driver has already been thrown out for keeping all four wheels on the ground on a curve. When worse drivers are born, they'll come to Richmond Speedway.

Low shot X If you don't like the way the other fellows are driving -- just quit the race -- like this.
