STRIKES IN PARIS

12th. of August 1953

The Army aids police to direct traffic.

Place de la Concorde .

Transport is effected thru military trucks. and road police indicate the
ways.

TRANSPORT STRIKES

Place des Invalides - Military trucks replace the Parisian busses

People climbing in the military trucks

After the journey's work people get home in military trucks.

Place des Invalides is the central point of Paris where all traffic lines end.

Our cameraman went up the the British Embassy - but everything was quiet there
and no shots were taken.
