BOXING: RAY FAMECHON V. JEAN SNEYERS.

In Brussels, Frenchman Ray Famechon, in striped shorts, tackles Belgian Jean Sneyers. In this fifteen round contest, Famechon is being challenged for his right to keep the European Featherweight title he's held for five years. Sneyers, a wiry little 26 year old, swaps him blow for blow as the fight warms up.

Sneyers still keeps up his barrage of punches - this is one of the fiercest fights the Frenchman's had for a long time.

Into the last round. Sneyers is probably just ahead on points so Famechon throws everythings he's got, but still the Belgian keeps hammering away. By a narrow margin, Jean Sneyers takes the European Featherweight crown back to Belgium!
